

Affordable Housing

Dakota County

May 2008

The demand for affordable housing exceeds supply.

The unmet affordable housing need through the year 2010 in Dakota County is conservatively estimated at 25,456 low-income households.¹ Meanwhile, the number of households in the state spending more than half of their income on housing increased from 1 in 15 in 2000 to 1 in 8 in 2006. **Minnesota experienced the fastest increase of extremely cost burdened households of any state in the nation during this time period.**²

WHAT IS
AFFORDABLE
HOUSING?

Housing is considered affordable if it consumes 30% or less of a household's gross income.

Household Income	Renters		Home Owners	
	Number of Households Paying Over 30% in Rent	Percent of Households Paying Over 30% in Rent	Number of Households Paying Over 30% for Ownership Costs	Percent of Households Paying Over 30% for Ownership Costs
Less than \$19,999	7,052	89%	4,328	86%
\$20,000-\$34,999	5,270	78%	5,522	62%
\$35,000-\$49,999	1,234	25%	7,535	54%
\$50,000 and over	976	10%	16,987	19%

The table above shows the number and percent of households in different income brackets that pay over 30% of household income for rental or ownership costs.³ It illustrates that the burden of housing costs weighs more heavily on lower-income families.

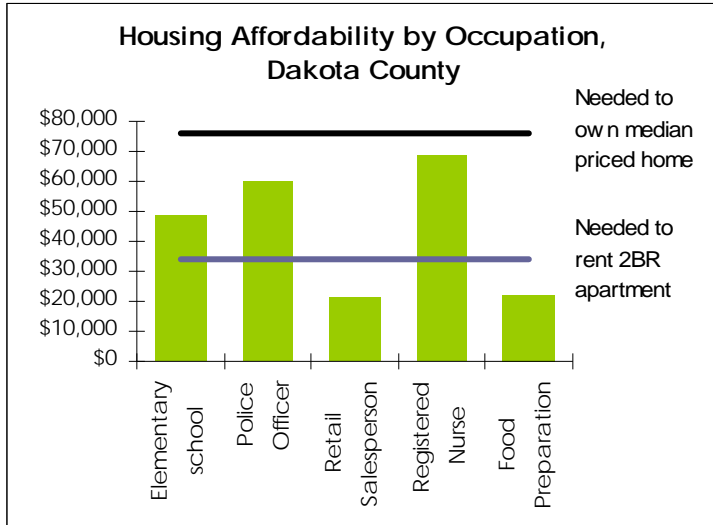

About 80% of Dakota County residents own their home and 20% are renters.⁴

Generally, when households spend more than 30% of their income to meet housing costs, they do not have enough income to meet other basic needs or weather financial setbacks.

Lower-income households face extreme affordability challenges.

The chart below compares the median earnings of different workers to the income required for affordable housing.⁵ The median household income for Dakota County was \$70,502 in 2006.⁶

In Dakota County, a median-priced home is \$235,000, and the fair market rent for a two bedroom apartment is \$848 per month. Since 2000, home prices have increased by 38.3% and fair market rent has increased by 18.6%.⁷

Approximately 32% of homeowners and 47% of renters in Dakota County spend over 30% of their household income on housing.⁸

In Dakota County, a family of four with two full-time wage earners needs to earn a combined annual salary of \$55,056 to afford the basic cost of living.⁹

35% of jobs in Dakota County and counties nearby pay less than the regional wage required to afford basic needs.¹⁰

The average annual unemployment rate in Dakota County was 3.7% in 2007.¹¹

Foreclosures in Minnesota

- In Dakota County in 2007, there were about 1,535 foreclosures, a 234% increase from 2005.¹²
- Left unaddressed, abandoned foreclosed properties destabilize neighborhoods, erode the local tax base and drive up the costs of municipal services.

Homelessness in Minnesota

- In 2006, 28% of all adults experiencing homelessness in Minnesota reported income from work, with 12% working full time.¹³
- 39% of Minnesota's homeless population cite the inability to afford housing as a primary reason for leaving previous housing.¹⁴
- Roughly 9,200 Minnesotans are homeless and 7,700 are precariously housed in temporary or unstable housing. Thirty-eight percent (38%) of these are children and youth.¹⁵
- On a single day in 2006, 4,715 people were sheltered in the Twin Cities Region, including 1,860 children.¹⁶

Extreme Cost Burden

- Approximately 23% of renter households pay over 50% of their income on housing in Dakota County.¹⁷
- For homeowner households in Dakota, 9% pay over 50% of their income on housing.¹⁸
