Housing Affordability in Lake of the Woods County

May 2009

Housing is considered affordable if it consumes less than 30% of a household’s gross income. At higher levels, families must choose between housing and other basic needs and will struggle to weather financial setbacks. For 2009, housing costs continue to consume a large portion of families’ income, with substantial unemployment threatening Minnesotans.

The table above shows the number and percent of households in different income brackets that pay 30% or more of household income for rental or ownership costs. It illustrates that the burden of housing costs weighs more heavily on lower-income families.\(^1\)

Even before the current economic downturn, housing needs were severe. In 2007, 1 in 8 households spent at least half of their income on housing, up from 1 in 15 in 2000. Minnesota experienced the fastest increase of extremely cost burdened households of any state in the nation during this time period.\(^2\)

In 2000, about 85.0% of Lake of the Woods County residents owned their home and 15.0% were renters. Of these, approximately 14.9% of homeowners and 36.0% of renters in Lake of the Woods County spent 30% or more of their household income on housing.\(^3\)
Lower-income households face extreme affordability challenges.

The chart below compares median earnings across different occupations to the income required to afford housing.4

Housing Affordability by Occupation, Lake of the Woods County

**Housing Costs.** In Lake of the Woods County, a median-priced home cost $79,050 in 2008, and the fair market rent for a two-bedroom apartment was $577 per month in 2009. Since 2001, home prices have increased by 68.2%, and the fair market rent has increased by 38.7%.3

**Income.** In Lake of the Woods County, a family of four with two full-time wage earners needs to earn a combined annual salary of $42,864 to afford the basic cost of living.6 The median household income for Lake of the Woods County was $40,436 in 2007.7

**Jobs.** 42% of jobs in Lake of the Woods County and counties nearby pay less than the regional wage required to afford basic needs.8 The average unemployment rate in Lake of the Woods County was 8.0% in March, 2009, up from 4.4% in March 2006.9

**Foreclosures in Minnesota**
- In Lake of the Woods County in 2008, there were about 12 foreclosures, a 33.3% increase from 2007.10
- Left unaddressed, abandoned foreclosed properties destabilize neighborhoods, erode the local tax base and drive up the costs of municipal services.
- Of homeowners seeking foreclosure counseling in 2008, three-quarters were considered to be low- and moderate-income. Half experienced a reduction of income before seeking counseling. 60% had prime mortgages.11

**Homelessness in Minnesota**
- On a single day in 2006, 198 people were sheltered in the Northwest Region, including 81 children.12
- Roughly 9,200 Minnesotans are homeless and 7,700 are precariously housed in temporary or unstable housing. 38% are children and youth.13
- 39% of Minnesota’s homeless population cite the inability to afford housing as a primary reason for leaving previous housing.14

**Extreme Cost Burden**
- Approximately 21.0% of renter households pay at least half of their income on housing in Lake of the Woods County.15
- For homeowner households in Lake of the Woods County, 4.0% pay at least half of their income on housing.16
