

14:14:12 From Libby Murphy: If you have questions, please use the chat feature to ask them. We will have some time for Q&A with Gabriela. If we can't get to your question on the webinar, Gabriela will be able to follow up via email.

14:16:14 From Dakota Crowell (he/him): Thank you all for this webinar! Has there been efforts from the panelists to track NOAH properties that are single family homes or duplexes? I am wondering to what scale these smaller properties make up the NOAH landscape in the Northland Region.

14:18:18 From Will Cooley: Excellent research. I wonder if we are framing the problem incorrectly in the public mind if we say we have an affordable housing crisis when it is more of an income crisis? The data on health aides is alarming. Caregivers living in poverty.

14:23:44 From Bill Gabler: Has any of the Federal money to assist renters during COVID been released to renters in the region prior to the end of the eviction moratorium?

14:24:35 From Dakota Crowell (he/him): Thank you!

14:27:27 From Libby Murphy: Bill, Federal assistance through RentHelpMN is now available and should be reaching people across the MN. The agreed eviction off ramp prohibits evictions for people who have applied but are waiting for assistance through RentHelp

14:28:22 From Bill Gabler: Thanks! 🙌
